26.10.2020

---

Iraqi News Agency (22 September 2020)

The Minister of Finance, Ali Abdul Amir Allawi, announced today, Thursday, the support of international organizations and industrial countries for the white paper.

His office said in a statement received by the Iraqi News Agency (INA), that "this came during his participation in the tour of Prime Minister Mustafa Al-Kadhmi to a number of European countries."

The statement quoted the Minister of Finance as saying, "The white paper won absolute support from the industrialized countries and international organizations for the first time."
