
MONTENEGRO: NEW GOVERNMENT FORMATION IS PUT ON HOLD

-

10.11.2020

Independent Balkan News Agency (9 November 2020)

Mladen Dragojlovic

According to the latest data on the coronavirus epidemic in Montenegro, the situation is not calming down and new measures are needed to bring the disease under control.

A curfew will be introduced in several cities in Montenegro, in order to reduce the movement of the population and the spread of the epidemic. All major gatherings were banned and special measures were introduced.
