
MUNICH SECURITY CONFERENCE POSTPONED DUE TO COVID PANDEMIC

-

10.12.2020

Deutsche Welle (9 December 2020)

The Munich Security Conference is being postponed due to concerns over the coronavirus pandemic, organizers announced on Wednesday.

"We have no choice but to postpone. But I promise: there will be a real [Munich Security Conference] in 2021," conference chairman Wolfgang Ischinger said on Twitter.

He added that organizers are working on presenting a "high-level virtual event" for February 19 when the conference was originally supposed to take place.
