Al Jazeera (10 December 2020)

Bilal Kuchay

Relations between India and China are at the most difficult phase in the last three to four decades, Indias external affairs minister has said, as the months-long impasse over the border in the Himalayan region of Ladakh continues.

Tensions between India and China have run high since June when at least 20 Indian soldiers were killed in a violent face-off with Chinese troops involving rocks and clubs.

China did not release the number of casualties on its side.
