The New York Times (25 January 2021)

Jeffrey Gettleman, Emily Schmall and Hari Kumar

Indian and Chinese troops have clashed along their disputed Himalayan border, according to media and military reports on Monday, as Beijing quietly intensifies pressure against its southern neighbor with new incursions into territory claimed by both sides.

Details about the latest skirmish remain foggy, and Indian officials played down the events. Indian media outlets and independent military analysts said that the clash happened several days ago, and that soldiers on both sides were wounded, although no fatalities were reported.
