
MEGHAN MARKLE, ROYAL RACISM AND THE 'EUROPEAN WAY OF LIFE'

-

17.03.2021

EU Observer (17 March 2021)

By Shada Islam

It is easy to shrug off the Duchess of Sussex, Meghan Markle's revelations alleging racism in and around Britain's royal family as just another celebrity-triggered tsunami in a tea cup.

Worthy of another Netflix series certainly, but nothing to do with us.

What about confusion and disarray in the British media after being accused of endemic racism by both Prince Harry and Markle?
