## **IRAQ'S PRIME MINISTER: ADOPTING INTERNATIONAL STANDARDS FOR AIRPORT PROJECTS**

-

06.08.2024

---

Iraqi News Agency (5 August 2024)

Iraq's Prime Minister Muhammed S. Al-Sudani chaired a meeting on Monday to review the projects for the rehabilitation, development, and completion of the international airports in Nasiriyah, Mosul, and Karbala.

He received a comprehensive overview of the progress in construction, rehabilitation, and development projects, as well as the completion of specialized buildings and facilities at the three airports, according to a statement by the PM Media Office - received by the Iraqi News Agency - INA.
