22.11.2024

Kabar (22 November 2024)

The grand opening of the II Turkmen-Uzbek Interregional Forum and the National Exhibition of Uzbek Goods was held yesterday at the "Türkmeniň ak öýi" in the city of Turkmenabat. The event brought together representatives of ministries, departments, regional administrations, businesses, and the public from both countries. The festive atmosphere was enhanced by performances from musical ensembles.

The forum and exhibition highlighted the dynamic interaction between the regions of Turkmenistan and Uzbekistan. Trade and economic partnership occupy a central place in the relations between the two countries, which also thrive in areas such as energy, agriculture, culture, science, and education.
