Cyprus Mirror (4 December 2024)

Türkiyes Vice President Cevdet Yılmaz emphasized that the international community should now officially recognize the Turkish Republic of Northern Cyprus (TRNC) and establish diplomatic, political, and economic relations.

He stated that a solution to the Cyprus issue must be built on the realities of the island, underlining that only such an approach would result in a fair, lasting, and sustainable resolution.

Yılmaz noted that the federation model was no longer a viable option and reaffirmed Turkey's continued support for the just cause of the Turkish Cypriots as the motherland and guarantor state.
