
VON DER LEYEN'S MISSION: STOP EUROPE'S 'SLOW AGONY' OF DECLINE

-

20.12.2024

Politico (20 December 2024)

By CARLO MARTUSCELLI and BARBARA MOENS

The European Commission president has pledged to boost the EUs ability to compete with the U.S. and China.

When Americans visit Europe, its usually to gawk at the monuments of the past: the classical ruins of Italy and Greece, the Enlightenment-era wonders of Paris and Vienna; the trenches and memorials of the continents two world wars.

When Europeans visit the United States, the trips highlight is often a glimpse of the future.
