tovima.com (20 December 2024)

The Greek Prime Minister Kyriakos Mitsotakis revealed that an extraordinary EU summit will take place on Feb. 3, during the press conference held following the conclusion of the European Council Summit proceedings in Brussels on Dec.19. The focus of the Feb. EU summit will be European defence.

Mitsotakis expressed his satisfaction with the decision to convene an extraordinary European Council meeting in Feb., a development driven by a Greek initiative. The informal summit, will focus exclusively on European defense.

The prime minister highlighted the urgency of a geopolitical and defense awakening across Europe, stressing the need for coordinated efforts to address mounting challenges.
