TÜRKİYE'S 'BLUE HOMELAND 2025' NAVAL DRILL SPARKS CONCERN FROM GREEK MEDIA

- 10.01.2025

Türkiye Today (4 January 2025)

Türkiyes upcoming Blue Homeland 2025 naval exercise, set to take place between Jan. 7 across the Black Sea, Aegean Sea and Eastern Mediterranean, has drawn significant criticism and concern in Greece, with local media describing it as a show of force.

The large-scale drill, one of the most extensive military exercises conducted by Türkiyes Naval Forces, will involve 87 ships, seven submarines, seven unmanned surface vehicles (USVs), 31 aircraft, 17 helicopters, 28 UAVs/UCAVs and 20,000 personnel, including elite SOF personnel
