Aze.media (17 March 2025)

*The state company SOCAR has signed a memorandum of understanding with Israels Union Energy, according to Economy Minister Mikayil Jabbarov.*

The memorandum on joint exploratory work in Israels exclusive economic zone (EEZ) was signed during the visit of the Azerbaijani delegation to Israel.

The implementation of this document will expand the parties network of international cooperation and access to new energy resources, Jabbarov stated.
