Says supply of weapons to Yerevan, anti-Azerbaijani position contradict top French diplomats remarks regarding concern over regional tensions.

Azerbaijan on Monday accused France of hypocrisy regarding its position on current border tensions in the South Caucasus after remarks by the French foreign minister.

Earlier in the day, Jean-Noel Barrot, ahead of an EU Foreign Affairs Council meeting in Luxembourg, told reporters that Paris is concerned about the growing tensions on the Azerbaijan-Armenia border, expressing hope that the EUs mission will grow in size to observe and contain the tensions.
