Euronews (29 May 2025)

Uzbekistan is Slovenia's second-largest foreign trade partner in Central Asia, and the two plan to increase trade turnover to €500 million by further expanding the exchange of goods and services.

The landmark visit of Uzbekistan's President Shavkat Mirziyoyev to Slovenia was marked by high-level discussions and a joint business forum, in a first trip of its kind in 20 years.

Uzbekistan is Slovenia's second-largest foreign trade partner in Central Asia, and the two plan to increase trade turnover to million by further expanding the exchange of goods and services and investment opportunities.
