Hakan Fidan also met with Kosovo President Vjosa Osmani on margins of the summit, says Turkish Foreign Ministry

Turkish Foreign Minister Hakan Fidan on Monday attended the summit of Heads of State and Government of the South-East European Cooperation Process (SEECP) in Albania.

The summit, organized by the Albanian Presidency under the theme "Promoting Stability and Prosperity through Regional Cooperation and EU Integration," was attended by heads of state and government, foreign ministers from the SEECP's 13 participating countries, and European Union representatives.
