The US State Department has approved the possible sale of a Javelin anti-tank missile system and Excalibur guided artillery munitions worth 92.8 million to India, the US Defense Security Cooperation Agency said.

India had requested 100 FGM-148 Javelin rounds, one fly-to-buy missile, and 25 Command Launch Units valued at \$45.7 million, the agency said in a Wednesday statement.

In a separate notification, the State Department approved Indias request for up to 216 M982A1 Excalibur tactical projectiles and related support equipment, estimated at \$47.1 million.
