The job * has been mostly accomplished, said a senior official in Belgiums spy service, Hugues Brulin, in a WhatsApp message to the Belgian then EU commissioner, Didier Reynders.

Bravo for the work you did, said Reynders.

It was back in 2022, and, at least on the surface, they were chatting about a staff reshuffle inside Belgiums intelligence service, La Sûreté de l'Etat/Veiligheid van de Staat (VSSE) □ which was already a peculiar thing for Brulin to be doing on WhatsApp with an EU official.
