Trend News Agency (8 August 2025)

Madina Usmanova

*On August 8, Kazakh President Kassym-Jomart Tokayev and Russian President Vladimir Putin held a telephone conversation and discussed the progress of the dialogue with Washington regarding the settlement of the Ukrainian crisis, Trend reports via the Russian Embassy in Kazakhstan.*

Vladimir Putin briefed his counterpart on the main outcomes of his recent meeting with US Special Envoy Steve Witkoff within the framework of the Russian-Kazakh alliance and strategic partnership.

Kassym-Jomart Tokayev expressed his gratitude for the provided information and praised the steps taken to find ways to peacefully resolve the conflict, the information notes.
